Commanding Officer
Fort Hancock, New Jersey

My dear Colonel Ostrom:

I suppose that you have decided that you were never going to hear from me again. Frankly, I thought that some of our people would have returned to Fort Hancock long before this.

Due, primarily, however, to budgetary limitations, it has been decided that the installation which we discussed on my visit to Fort Hancock in January will be located in the vicinity of Washington, D.C. While we have not yet found an actual site that meets all of our requirements in this locality, the New York area has been stricken from the list of those areas under consideration.

Thank you very much for all your time and trouble.

Sincerely,
